Notes:

1. Thermal Power Plants : Pending notificaiton of New Normative Quantity by MOC, existing MOP Norms for Power Sector has been considered as Normative Quantity. This may be revisited as and when the new normative quantity is notified by MOC
2. Captive Power Plants : Pending notificaiton of New Normative Quantity by MOC, existing MOP Norms for Power Sector has been considered as Normative Quantity. This may be revisited as and when the new normative quantity is notified by MOC
3. Cement Plants : Normative Quantity has been calculated as per DIPP recommended 17% coal consumption norms. Recommended allocation is for 75% of normative quantity as per MOC letter No.23011/68/2007-CPD dt.14.01.2008
4. Sponge Iron Plants : Normative Quantity has been calculated as per present norm in vogue @ 1.6 Tonnes of Coal per Tonne of Sponge Iron Capacity. Recommended allocation is for 75% of normative quantity as per MOC letter No.23011/68/2007-CPD dt.14.01.2008
5. As decided by Coal Cos., the following Grades have been considered for recommended LoA quantity : ECL - D/E, BCCL - D, CCL - E, NCL - B/C/D/E, WCL - E, SECL - F, MCL - E/F, NEC - A. Where more than one Grade is considered, normative quantity worked out on 50:50 basis for the grades.
6. Recommended LoA quantity remains same for all Grades of coal in case of Sponge Iron and Cement Plants as extant norms are based on capacity of plant and does not vary from grade to grade. This may be revisited as and when the new normative quantity is notified by MOC.

**Companywise Recommended Quantity for issue of Letter of Assurance (LoA) to CPPs as per decision of SLC(LT) meeting dt.06.11.2007

**Sub: Execution of Fuel Supply Agreement (FSA) in terms of the
New Coal Distribution Policy issued by Govt. of India**

Dear Sir,

This is to bring to your kind notice that Ministry of Coal has introduced a 'New Coal Distribution Policy' with the approval of Govt. of India vide Office Memorandum No. 23011/4/2007-CPD dated 18.10.07. This policy supersedes all existing coal distribution policy for core and non-core sector and/or other instructions issued in this regard from time to time. Under this policy, coal supply under the linkage system is to be replaced with bilateral arrangement of enforceable FSAs. All the existing valid linked consumers whose linkage/MPQ is 4200 tonnes or more, would have to enter into FSAs with coal companies. Other valid linked consumers will have the option to opt out of FSA regime or enter into FSA. On opting out, such consumers may access their coal requirement through various other channels, like e-auction, distribution network of State nominated agencies etc. Failure to enter into FSA with the supplying coal company will result in discontinuation of supply at fixed price.

According to above, you are required to enter into Fuel Supply Agreement (FSA) with our company, for continuation of coal supplies.

The policy on supply of coal through FSA envisages three models of FSA based on applicable Annual Contract Quantity of the linked consumer, which shall be 100% for CPP/Co-Generation unit and 75% for mother processing unit of the normative quantity i.e., entitled annual quantity, for the year 2007-08.

As a condition precedent to execute the FSA, you are required to deposit with the linked company a sum equivalent to 6% of the notified base price of the entitled ACQ as non-interest bearing Security Deposit either in cash or in the form of Bank Guarantee. However, you have the liberty to furnish 50% of the Security Deposit on or before

(2)

signing of the FSA and the balance 50% within 3 (three) months of such signing, subject to the provisions of FSA.

Copies of the New Coal Distribution Policy, all three Model FSAs including the format of Bank Guarantee towards Security Deposit are already available on CIL website www.coalindia.gov.in and www.coalindia.nic.in .

You are requested to please execute FSA with North Eastern Coalfields (NEC) at the earliest in order to ensure commencement of coal supplies under FSA from April' 2008 onwards. However in any case, for sustained supplies, the FSA would need to be executed by or before 30th April' 2008.

For any further information and execution of FSA within the stipulated period, you may contact the Office of Area Sales Manager, NEC, Margherita.

Thanking you,

Yours faithfully,

Area Sales Manager,
NEC/CIL, Margjherita.

**Sub: Execution of Fuel Supply Agreement (FSA) in terms of the
New Coal Distribution Policy issued by Govt. of India.**

Dear Sir,

This is to bring to your kind notice that Ministry of Coal has introduced a 'New Coal Distribution Policy' with the approval of Govt. of India vide Office Memorandum No. 23011/4/2007-CPD dated 18.10.07. This policy supersedes all existing coal distribution policy for core and non-core sector and/or other instructions issued in this regard from time to time. Under this policy, coal supply under the linkage system is to be replaced with bilateral arrangement of enforceable FSAs. All the existing valid linked consumers whose linkage/MPO is 4200 tonnes or more, would have to enter into FSAs with coal companies. Other valid linked consumers will have the option to opt out of FSA regime or enter into FSA. On opting out, such consumers may access their coal requirement through various other channels, like e-auction, distribution network of State nominated agencies etc. Failure to enter into FSA with the supplying coal company will result in discontinuation of supply at fixed price.

According to above, you are required to enter into Fuel Supply Agreement (FSA) with our company, for continuation of coal supplies.

The policy on supply of coal through FSA envisages three models of FSA based on applicable Annual Contract Quantity of the linked consumer, which shall be 75 % of the normative quantity i.e., entitled annual quantity, for the year 2007-08.

As a condition precedent to execute the FSA, you are required to deposit with the linked company a sum equivalent to 6% of the notified base price of the entitled ACQ as non-interest bearing Security Deposit either in cash or in the form of Bank Guarantee. However, you have the liberty to furnish 50% of the Security Deposit on or before signing of the FSA and the balance 50% within 3 (three) months of such signing, subject to the provisions of FSA.

(2)

Copies of the New Coal Distribution Policy, all three Model FSAs including the format of Bank Guarantee towards Security Deposit are already available on CIL website www.coalindia.gov.in and www.coalindia.nic.in

You are requested to please execute FSA with North Eastern Coalfields (NEC), at the earliest in order to ensure commencement of coal supplies under FSA from April' 2008 onwards. However in any case, for sustained supplies, the FSA would need to be executed by or before 30th April' 2008.

For any further information and execution of FSA within the stipulated period, you may contact the undersigned.

Thanking you,

Yours faithfully,

Area Sales Manager,
NEC/CIL, Margherita.

Notes:

- Details are to be given in respect of all existing units drawing coal presently and also for those already having LT Linkage / LOAs but have not yet started drawing coal
 (*) : Where LT Linkages/LOA are available, the corresponding reference and where LT Linkage does not exist, it should be mentioned
 (#) : Wherever FSA exists, the ACO and validity period of the FSA are to be mentioned
 (&) : Entitlement is SLC (ST) linkage for Power(U), CPP & Cement; Allocation for Sponge Iron; Program for Steel & Fertilizer, MPQ as applicable for other sectors
 (-) : Grade(s) of coal supplied / proposed to be supplied
 (\$) : Commitment as proposed by Cos. As per their best judgment, based LT Linkage / ST Allocation / Despatch pattern etc.
 (^) : Remarks pertaining to basis for commitment proposed viz., LT Linkage / ST Allocation / Despatch Pattern etc.
