

NOTICE

Notice Inviting paper for honoring “**Green Innovation Award**” for development of new technology for coal dust suppression in Coal Mines of Coal India Ltd.

Coal India Ltd, being a **Maharatna** company having its mission to produce and market the planned quantity of coal and coal products efficiently and economically in an eco-friendly manner with due regard to safety, conservation and quality, inviting innovative ideas for coal dust suppression during the process of mining coal.

Interested individuals or institutions at National or International level including IIT, NIT and Research Institutes, capable of developing new technology as well as having capacity to demonstrate the technology for dust suppression during mining operation are requested to submit their papers from 11/02/2018 to 17/02/2018. Participants are requested to submit their paper with their contact details both in hard copy and soft mode in the address mentioned below.

After scrutiny of the papers, selected individual/ institute will be requested to demonstrate their technology to substantiate the reduction of dust to acceptable ambient air quality level at CIL mines.

Best accepted participant will be honored with “Green Innovation Award” on 5th June 2018 from Coal India Ltd.

Address for submission of papers;

Chief General Manager (Mining)
