

## Responses to pre-bid queries in relation to RFQ for Equity Partner Selection:

Sl. No.	Query / Submission from Applicant	Response to Applicant's Query / Submission
1	<p><b>Clause 3.2(c) of RfQ</b> - "The Applicant entity must have GSTIN registration"</p> <p><b>Clarification:</b> GSTIN registration of our applicant entity is in progress. We have already filed the GSTIN registration application. Please clarify whether application filing no. will work for submission of RfQ</p>	The Applicant can state in the application that filing for GSTIN registration application has already been done and it is under process. The application filing number may be mentioned along with.
2	<p><b>Clause 3.4(a) of RfQ</b> - "The Applicant entity or Applicant Group shall have both solar cell and module manufacturing plants, operational or under-development, in India with minimum production capacity of 100 MW/annum."</p> <p><b>Clarification:</b> Regarding above clause, please clarify the capacity to be mentioned in the RFQ application, as our manufacturing plant is under-development for Solar Cell and Module manufacturing which has a capacity of 2.1 GW and is expandable upto 4.0 GW.</p>	The capacity under-development (i.e. 2.1 GW) is to be mentioned in the application.
3	<p>As per clause 3.4 (a) quote The Applicant entity or Applicant Group shall have both solar cell and module manufacturing plants, <b>operational or under-development</b>, in India with minimum production capacity of 100 MW/annum Unquote. However as per Annexure-5E quote Details of the Solar PV Manufacturing project(s) <b>commissioned or operated or under development</b> by the Applicant.Unquote.</p> <p>Request you to add the word commissioned in clause 3.4 (a)</p>	The word 'operational' implies 'commissioned' project(s).
4	<p>Since the CIL's bid is due after closing of PLI bid submission date, it is assumed that CIL will bid as a single entity. Given the restriction of GOI in procuring finished goods from neighboring country and restriction for floating global tender for value less than Rs.200 Cr, Please confirm if these restrictions will not come in the way while choosing technology/equipment procurement .</p>	This matter does not pertain to the terms and conditions of the extant RFQ.
5	<p>Is the bid restricted to only Indian bidders ?</p>	Yes.
