NOTICE: Offer of Coal to NRS Consumers Under Import Substitution

It has been observed that several non-power plants in India are importing coal from different countries for blending purposes or direct use. A need has arisen for consumption of the domestic coal instead of imported coal to save valuable foreign exchange and as sufficient domestic Coal is available with Coal India Limited (CIL).

In view of the above, non-regulated sector consumers (NRS) are requested to meet their requirement against import substitution through various e-auction schemes available at present i.e. Spot E-auction and Exclusive E-Auction, regularly being conducted by coal companies of CIL, who have been advised to offer sufficient quantities to meet any additional requirement. Therefore, consumers are requested to contact CIL coal companies for placing their demands through e auctions.

Further, It is to inform all consumers that a portal has been developed by CIL for import substitution, and is available in the website <http://beta.coalindia.in/> under trial run. The consumers can also submit their demands through portal.
